

LET'S CLEAN UP OUR TOWN

Comité d'embellissement invites **YOU** to join us in cleaning up our community.

You, your organization or volunteer group can participate anytime from **NOW until June 6th** by picking up the trash and recycling you see in the:

- DITCHES
- TRAILS and WALKWAYS
- PARKS and GREENSPACE

On June 6 from 10am – 2pm

Come out and mark on our MAP where you have cleaned or where you'd like to clean up.

Let's make it a day to come together to clean up our community and enjoy a free hot dog and drink.

We will have trucks and trailers organized to collect your bags and will be available to pick up yard waste on that day:

YES Branches, twigs, leaves, grass - YES

NO appliances, furniture, or household waste

Please leave your bags at the end of your driveway and be sure to **REGISTER** so we know where to make the pickup.

Garbage Bags and disposable gloves will be available on June 6th beside Freshmart / mailboxes.

REGISTER your name and phone number so we can arrange pick up at your driveway on JUNE 6th.
